A NOTE FROM THE PRESIDENT

DISTRICT GOVERNOR VISIT

Last meeting President Kevin warmly welcomed our Assistant Governor Olive Aumann and our DG Ken Miller.

Ken is a member of the Rotary Club of Emerald and District which he joined in 2005. He has served as Club President, Membership Chair, Treasurer, Vice President, Chair of the iconic Kids Fun Run with Thomas the Tank Engine (5 years) and co-chair of the Great Community Raffle (Funds raised exceed \$1 million). At District level Ken has chaired Community Service, Club Development, Public Image and Communication and worked on various sub committees including Zone 8 Assistant Public Image Coordinator.

The Rotary Foundation is the corner stone of Rotary International and is Ken's passion and his special partner's project. Ken is a proud member of the Paul Harris Society and a Centurion. Our board has decided to donate \$1000 to Ken's project.

Ken has three daughters and a son plus lots of foster children totaling 32! His family is a very large one indeed and is spread far and wide throughout Australia.

At an early age Ken was introduced to the primary industry via the family dairy farm and this eventually led him to take up Marketing and Leadership positions in the equine industry. This has

been an interesting and fruitful occupation that has given Ken the opportunity to travel and work at most major horse racing centers throughout the world.

Following is a summary of the points Ken covered in his address:

Ken acknowledged the good work done by Don Kinnear, Liz Guiver and Kevin Hall on District committees over the years.

He had visited our Op Shop earlier in the day and was amazed at the size of it – and that it is probably the best op shop in our District (yay!). A big cheer for all our volunteers.

The DG's newsletter has a different look this year and is viewed by more people – they can track how many people look at which pages and for how long.

Public Image Awards – an easy way for clubs to get some points to be put toward various Rotary merchandise.

Growing Rotary and the importance of this for all clubs. Satellite clubs

Younger Members Task Force – have written a great critique and may be presenters at next year's International Convention.

Diversity and Equity – important for clubs to know and reflect the demographics of their club area (e.g. Manningham council area has 40% of residents who were born overseas).

Public Image and Communications: Peter Behm is developing fridge magnets and the template will be available for clubs in due course. Peter is happy to assist clubs with public image and communications.

District Conference, March 2023 – in Canberra. Registration - as well as the conference itself – **the early bird registration (till end of November) of \$245 includes dinner in the Parliament House Great Hall – a fantastic deal!**

International Conference – May 2023 – again early bird registration (till end November).

It was a great night and we wish Ken well for the rest of his year.

Other Reports:

Community: Rob Edwards reported that he will meet with the principal of Warrandyte Primary School next week to discuss ways the club can assist them.

Tunstall Market: Steve Latimer is toiling hard with the update to the signage at Tunstall Square and should be complete soon – it was a bigger job than anticipated.

POLIO ANYWHERE IS A THREAT EVERYWHERE

Dear Members,

We are making great progress towards eradicating polio, however recent news reminds us that **polio anywhere is a threat everywhere**. Polio is being detected around the world in places where it hasn't been found in decades. In the United States, an unvaccinated man was paralyzed by polio. In the UK, poliovirus has been detected in sewage samples. In Malawi, a child contracted polio. And Mozambique announced its first polio outbreak of wild poliovirus in 30 years.

The time for urgent action is now. A new vaccine has been deployed to stop outbreaks. Malawi, Mozambique, and nearby countries are conducting immunization campaigns to stop the spread of the virus. With our partners and advocates like you, we continue to encourage communities worldwide to provide vaccinations.

As we approach World Polio Day, 24 October, you can **help us make an impact** and stop the spread of polio. You can take action by:

[Donating to PolioPlus](#)

Creating a fundraiser for PolioPlus using [Raise for Rotary](#) (in Australian, Canadian, or U.S. dollars)

Creating a fundraiser on the [End Polio Now Facebook page](#)

Raising awareness by sharing content from the World Polio Day Toolkit, which you can find on our [World Polio Day webpage](#)

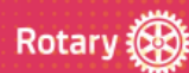

World Polio Day will help us provide the resources needed to protect children from the U.S. to Mozambique and around the world. Join us so that no child suffers the paralyzing effects of polio ever again.

Sincerely,
The Rotary Foundation

energy and skills all the time. It is part of our DNA and makes us who we are - we are a people organisation.

- It is an opportunity to witness Rotary at an International level and by volunteering, to be part of its success.
- It is an opportunity to volunteer and be an Ambassador for Rotary and our country.
- Giving up four hours for a single shift is not a big ask - the more volunteers we have, the greater the load is shared.

This Convention is an opportunity to see what Rotarians around the world do, speak to people from different countries about common projects or new projects, and hear world class speakers from within Rotary and from leaders in their fields outside Rotary.

Register **now** for the best prices. Don't leave it to the last minute as the registration fees increase significantly as the Convention gets closer.
