A NOTE FROM THE PRESIDENT

Hello all,

Well, here we go again, testing our resilience with another lockdown!

As an additive to VP Rob Edward's email just received here is a surprise bulletin for you, since I have the time to do it as we wait for baby to arrive. Big thanks to Rob for taking over for a few weeks.

You will see a comprehensive list of programs for the coming weeks thanks to the work of Stephen Ennor who is still stuck in Queensland. I hope you are all well and not feeling the isolation too much but at least, at the moment it is a short lockdown and hope it stays that way.

We thought it prudent to cancel next week's meeting with Peter Keep and have him come in August – there are a few people away and some unable to Zoom so let's hope we can gather the week after for normal meeting.

On the home front we are still awaiting birth of a grandchild – I've been to Anglesea and back again and have everything ready to throw in the car at the first signs of labour! At least I learnt how to manage my granddaughter and how to run the household in the absence of the parents. You could say I've had a dummy run!

I hear last week's meeting went well with members learning quite a bit about the preselected liberal candidate for Menzies Keith Wolahan who gave a great presentation and attended with his campaign manager.

It was great news to hear that our club received an award on District changeover night – Marg and David George attended in our absence and I was thrilled to hear that our hard work with PR and Communications has paid off in the form of District recognition. Many thanks to the Georges for deputising for us at the District Changeover night and we must continue with the great work!

I would love to see more members availing themselves of the District events to educate themselves –the tutorial about Club Runner which will enable us all to access information on the

District web site and importantly the District Handbook which is unlikely to ever be in hard copy again. There are a number of educational seminars coming up and they will all be via Zoom so it should not be a hardship to attend.

Another item which is somewhat of a peeve is that we will reinstate Property on the club meeting roster – we thought we could get away with not having one, but it has meant that the same people are doing it week in week out – and some members never help at all so I would like to see the task shared around everyone in the club. So, please look at the roster for each meeting and **IF YOU ARE UNABLE TO ATTEND THE MEETING, PLEASE FIND ANOTHER PERSON TO FILL IN FOR YOU IF YOU ARE ALLOTTED A TASK!** It is not much to ask but will make running meetings much more efficient.

In the meantime – enjoy your lockdown and see you all again soon.
