SERVICE ABOVE SELF

A NOTE FROM THE PRESIDENT

Date: 17th January

Hello everyone. I hope you are all faring well in this changeable typically Melbourne weather. Hot one day cold the next. It does make life interesting!

Our thoughts go out to Pippa who unfortunately has contracted shingles and is not too well. I believe it can be very uncomfortable so we wish Pippa well and hope she makes a speedy recovery. Those of you who have had shingles will sympathise. Shingles vaccine is provided free to people between the ages of 70 -79 so if you are in that category and have not had it I would strongly recommend you discuss with your GP.

We had a fun night last Tuesday chez nous – with a BBQ to kick off the year. Yes we had to eat inside due to the cold weather. Sad that the numbers had to be limited so we couldn't invite guests other than partners and luckily our numbers were just on 16 counting Kevin and myself but a great time was had by all.

Next week will be an outdoor event at the Yarra River so we don't have to worry about numbers, which is wonderful because everyone can come and bring friends, relatives kids etc. It will be lovely to have a close look at the newly completed Lions Park in Warrandyte. Looks like a cool night so bring plenty of warm outer wear and mozzie repellent. See photos for orientation for those who havn't been there – plenty of parking – (turn off beside the lolly shop) and tables/chairs. However might be prudent to bring a chair just in case others are using the area. A big thankyou to Gavin for organizing the food ordering – no mean feat for takeaway for a crowd! Make sure you have your order in to Gavin via email. If you don't want fish n chips bring a picnic meal. I look forward to seeing a good crowd of you there.

Plenty of space to spread out.

There is one shelter with a table, otherwise tables in the open. Parking -turn down beside the lolly shop.

Plans are well ahead for our Australia Day lunch at the Doncaster Shoppingtown Hotel. If you haven't registered by now it will be too late – we are not very well represented unfortunately but I'm looking forward to mixing with various community groups and being able to provide a free lunch to deserving folks. Thanks to those who are supporting this event. The Templestowe club have done well to get it done.

Hope to see as many of you next Tuesday at the Yarra River.

The above is from the Op Shop facebook page .

The Op shop workers are amazing what they take on to recycle – they really do have environmental issues at heart and are to be commended for their lateral thinking. We can all start saving the things listed, to reduce the amount of stuff that doesn't decompose from going into landfill.

The staff would welcome visits from our Rotary Club members. Every little bit helps.
