### The Rotary Club of Warrandyte Donvale (Inc) Club Bulletin

**Date: 17<sup>th</sup> January 2022**

#### A NOTE FROM THE PRESIDENT

Hello everyone. I can't believe it is two weeks since my last correspondence – where has the time gone? This is just a short bulletin to update you on a bit of news.

**NATALIES:** Good news and bad news. First the bad news – it will be some months before they have their kitchen sorted out due to a number of factors – but mainly shortage of staff, covid etc. No need to elaborate – even if I did have details which I do not.

The GOOD NEWS is that Natalies are happy for us to use the room we usually have our meetings in, but we need to self-cater. After a casual discussion between members who were at last week's BBQ we decided this is not a particularly difficult obstacle to overcome and we can approach it in a variety of ways. We think the first night could be a pizza night for those who wish to eat pizza. If you do not wish to eat pizza you can either eat at home before/after the meeting or bring your own meal. **Keep in mind we will have to use our own plates or disposables and take it all with us as they do not have kitchen staff to clean up after us.**

Tea and coffee will be available.

**Alcohol etc and other drinks** - we will let you know about. It may be that they can sell us from the bar or they may be able to offer us BYO (that requires a certain type of liquor licence which they do not currently have). The good thing is that we do have a venue so we will keep you informed as to what we are doing. If you have any good suggestions, we can discuss.

**AUSTRALIA DAY LUNCH FUNCTION:** is cancelled due to Covid numbers and difficulty getting community group involvement at the last minute.

At this stage Frank and Lena again are having us at their beach house in Dromana on Sunday 6<sup>th</sup> February so there will be more details about arrangements closer to the date.

I'm looking forward to another BBQ at the Edwards's tomorrow night. Last Tuesday saw 13 of us enjoy a balmy night on our balcony with some good food and great friendship, see photos.

That's about it for now. We will be looking at the program from February onward – I am keen to get the Membership workshops underway ASAP, so watch this space. Keep well and away from crowds, and stay Covid free if you can!
