A NOTE FROM THE PRESIDENT

It was a pleasure to have a majority of members meet in the Federation Room in the Warrandyte Grand Hotel.

Apologies were received from Louise Latimer, Steve Ennor, Bob Fry, Kay Thorogood.

Meals and drinks were successfully ordered and served by the efficient staff and thanks to Rob Edwards for the excellent organisation.

We commenced the meeting by finalising club positions for the 22/23 year and these will be circulated later this week. We now have included Rotary's new avenue of service – Environmental Sustainability which will be led by Judy Hall.

The main purpose of this weeks' meeting, chaired by Liz Guiver, was for the 21/22 Chairs to inform club members of the activities during the year in their respective avenues of service.

Excellent reports were received from Ian Thomlinson- International, Pippa Birch – Youth, Rob Edwards – Community, Don Kinnear- Vocation, Kevin Hall -Foundation and a Grant's report from Liz Guiver was circulated on Wednesday via email as it was inadvertently missed during the meeting.

We were also treated to reports from Bob McKenzie on our Op Shop finances and from Steve Latimer on our Tunstall Square Market finances.

These reports together with other reports from club leaders will be formalised and published in our Annual Report later this year. President Kevin

Sipho's Stars Update

JULY 15, 2022

Hi everyone! With one week to go on our SIPHO'S STARS project I thought it would be good to update you on progress.

The great news is that we have already surpassed last year's total of \$11,480. HELP Donors have so far given \$12,145. Those of you who have given will have received a DGR receipt for your donation, but I also want to add this note of appreciation. None of this would happen without you. So thank you. The need at Khayelitsha is huge. We will send all the funds we receive by July 24, so there is still time for anyone to give to this year's project if you want to.

The GRAPHIC BELOW includes all the information needed to help. If you click this [VIDEO](#) link it will take you to a YouTube video report.

Thanks for being a STAR in a child's life this Christmas

Our policy is to add new donors to our emailing list for our UPDATE which is produced every four-six weeks. As the list is self-managed recipients can opt out at any time (below). **However, I have a request for anyone intending to opt out.** Can you please leave doing so until after the next report in the first week of August which will include the final *Sipho's Stars total*. Doing this will help me to report to all donors efficiently.

ROTARY AUSTRALIA REPURPOSING EQUIPMENT

Excerpt from email:

At the RAWCS Board meeting last month, it was decided to accept the change of name from DIK (Donation in Kind) which is a registered name owned by West Footscray and HEERA (Health Education Repurposing Activity) A bit of a mouth full to:

RARE (Rotary Australia Repurposing Equipment)

Please stop using DIK and HEERA and if you have to **please** use the word **formally** in front of the name and the say **Now, Rotary Australia Repurposing Equipment (RARE)**

Medishare is a program concentrating on partnering with the health departments in NSW to obtain medical equipment and for them to have RAWCS as their first point of contact.

Can you please let all clubs and everyone know of this name change as it is very confusing for people to call the same activity with different names?

I thank you for your co-operation in this very important name change.

Cheers

PDG David Clark JP
