SERVICE ABOVE SELF

A NOTE FROM THE PRESIDENT

20th June

It was great to get together last Tuesday for an unscheduled, informal meeting as our last one for the year. We had apologies from Bob McKenzie, Tony Mooney and Steve Ennor. There was no important or pressing business to attend to, so it was good to just meet and socialise over a nice meal.

I gave a summary of the communication from DG Alma in the special edition of Open Doors which talks about the storm damage in the Dandenongs and Yarra Ranges areas and Rotary's role in the aftermath. As Alma says the best thing clubs can do right now is to check in with people we know who have been affected to offer moral support and wait until the time is right for us to assist financially or in person with the rebuilding process. Rotary is not a first responder, nor should it be as we would be in the way of the professionals and volunteers who are trained to deal with these sorts of emergencies. As time goes on I imagine clubs may be called upon to help out in appropriate ways.

You might be interested to hear that I am meeting with Sandi from the Warrandyte Diary, at their invitation on Tuesday to discuss volunteering in the community and the perceived threat from the recent drop in volunteers across all groups and clubs. They are talking to a number of people in the area who are leaders of such organisations.

I look forward to seeing you all next week at Changeover night in the larger room at Natalies as we were able to increase our numbers. In the meantime, thankfully we are out of lockdown and the "ring of steel" has come down. We still need to maintain our social distancing and mask wearing where appropriate, so everyone stay well and safe as we head into another Rotary year.

**Tunstall Market is on next Sunday
– all hands- on deck to make it a
memorable market after such a
big break.**

Keep the date free.

**Roster to be circulated on Tuesday
night.**

Rotary Code of Conduct

At our cluster president's meeting last Friday night, we spent a bit of time discussing the Rotary Code of Conduct. Happily, I know our club members pretty much adhere to its principles, but I thought it might be worth publishing for interest. It applies not only to behaviour at meetings and functions of course but in how we project ourselves on social media and in the written media generally – important to be objective and not let our emotions get the better of us.

Code of Conduct

As a Rotarian, I will:

1. Act with integrity and high ethical standards in my personal and professional life
2. Deal fairly with others and treat them and their occupations with respect
3. Use my professional skills through Rotary to mentor young people, help those with special needs, and improve people's quality of life in my community and in the world
4. Avoid behaviour that reflects adversely on Rotary or other Rotarians
5. Help maintain a harassment-free environment in Rotary meetings, events, and activities; report any suspected harassment; and help ensure non-retaliation to those individuals that report harassment
