A NOTE FROM THE PRESIDENT

From the President:-

Our last meeting was supposed to be a combined meeting with the Cricket Club but was cancelled, so we gathered at the Grand Hotel and put some more effort into preparing for our Art Show. We were few in number, but still a lot was achieved.

Last Tuesday the Board convened at the George's with a full agenda to be covered and a great deal was discussed, which will be reported in the minutes of the meeting, which I will forward to members next week.

Friday 18th of February I attended the Manningham Cluster President's meeting at Beau Monde and we caught up on our Cluster Club's activities and programmes. All Cluster Clubs were represented, and the meeting chaired by Olive Aumann

Friday evening Marg. and I attended the District President's Dinner meeting together with Olive Aumann our Assistant District Governor, unfortunately we were the only representatives from the Manningham Cluster.

One of the speakers of the evening was Pat Armstrong from the Doncaster Club who spoke at length on her favourite subject "the environment and recycling". Pat is the driving force behind a Rotary group ESRAG which is Environmental Sustainability Rotary Action Group. For us the highlight of her presentation was the reference to our Club with its Op Shop recycling programme and the number of slides on the screen showing our endeavours at our shop's collection point.

Another highlight of the evening was to be able to accept, on behalf of the Club, a Certificate of Appreciation for our financial support of the End Polio Now campaign.

See you all soon.

David

A GREAT DAY AT THE MARKET

We had a fabulous day today for our first Tunstall Market, with loads of people on hand to cook sausages and help out – (sadly not when we needed the brawn at 6am and 1pm) – great to see so many Montessori parents and even some primary school children to help being cashier – Meredith Hall loved the experience and wants to come back next time!

The rostering will sort itself out as we go along -the Montessori folks have a new system making volunteering compulsory so we are guaranteed assistance – we just need it at the right times.

We missed Bob – as did the stall holders and hope to see him back with us very soon. Great job everyone!
