A NOTE FROM THE PRESIDENT

Happy New Year to all our members and friends near and far. I do so hope you have had time to relax and regenerate the batteries after the Christmas and New Year break as we head into a new year. Let's hope this year gives us a bit more certainty about where we are going and how we are getting there.

This is just a short message to update you about the program for the coming month. At this stage we do not have any news regarding a venue for our club meetings but hope to have some news soon.

We have the two barbeques coming up soon, the Australia Day Community Lunch on 26th January then the Dromana post-Australia Day function at the Molinaros on the first Sunday in February. The usual protocols will be in place for the barbeques – i.e. bring your own meat and drinks with a salad or dessert to share. Let the hosts know what you will bring to save doubling up. So that would be me for the 11th January and Terry Edwards for the 18th January. Likewise for the Dromana function let Lena know what you would like to bring to help with the meal.

Looking forward to seeing as many of you as possible for our social gatherings before the club meetings get back underway in February.

Australia Day Function:

A **free lunch** will be provided to those of you and partners who wish to go on Australia Day – Wednesday 26th January - compliments of the National Australia Day Council.

Manningham Hotel, 1 Thompsons Road, Bulleen. 12 – 3 pm

Could you please let me know if you wish to attend.

If so, go to the try booking site below to book your tickets (even though you don't have to pay).
