A NOTE FROM THE PRESIDENT

President Kevin welcomed our small group and mentioned the unveiling of the plaque in memory of Margory Lapworth, details of which were in last bulletin. He also mentioned that a board meeting was held last week and minutes will be distributed to all members.

We held another of our Membership workshops with Past DG Alma last Tuesday, with Rob Edwards in the chair. Although a small attendance, with many apologies we were nevertheless an active group.

Alma refreshed our memories back to the first session she had with us when we talked about the features of our ideal Rotary club ie a club we would like to join if we were joining a club now – this resulted in some good discussion and points of interest.

We later divided up into four groups to discuss four different scenarios – how we would develop a Rotary Club with certain demographics – all four were different hypothetical groups. It made us think about how Rotary might cater for different age groups and people with different cultural and personal situations which was useful in getting us to think outside of our own club and its culture.

We still have a way to go with developing actual strategies to get in more members – so we look forward to further discussions and hope members will think about the material we discussed last week.

We thank Alma for the tremendous work she is doing on the District Membership Committee and appreciate her assistance.
