A NOTE FROM THE Editor

Our last meeting was held at Now and Not Yet kindly hosted by the indefatigable Derek Bradshaw. The evening was informal and we were pleased to welcome guests from local community: Tori Swedosh (local artist and Festival Committee), Joan Digram and Tony Honeyborne from the Warrandyte Tennis Club, Natlie Rinehart – a Youth Life Coach, Dave Burden, from the NANY board, our AG Olive Auman and President Reg Ellery from the Box Hill Central Rotary Club. President Rob gave a summary of the Club's activities and David George talked a little about Rotary as an organization. The finger food was great thanks to Derek and his staff.

We hope to continue with this idea of at least one informal meeting a month at NANY and enjoy the informality that the venue accords along with enticing others from the community to join us.

Wednesday night was a Thankyou to the folks who help out at the Warrandyte Market – held at the Warrandyte Sports Club. It was a relief to get out of the heat and humidity into the cool club rooms and have a cold beer or otherwise.

Rob Edwards had a few words of thanks to all the volunteers for this great market which is in the good hands of organizer Greg Rowell from the WOO – and according to Rob the feedback from stall holders is that it is the best organized and one of the friendliest markets in Victoria as well as there being a long wait list so no shortage of good stalls.

They were presented with a spectacular cake from the Warrandyte Cricket Club as a thankyou. The cake will be dispensed to helpers who come next Saturday for the last market – looking forward to the cake and coffee!

Kay is now in Donvale Rehab
after her back surgery.

She is doing very well and looked
very healthy and cheerful today –
she is doing a couple of gym
sessions each day and enjoying it
which is a good thing!

She will be home before
Christmas – we look forward to
seeing her back with us next
year.
